

U.S. Commercial Service

Meet and Mingle (M&M) International Business Networking Event

The Benefits of Attending

You will be both professionally and personally rewarded by meeting fellow peers engaging in international trade! Make new contacts with new & seasoned exporters, solutions providers, the Bucks County International Trade Council and District Export Council members. Learn first-hand accounts of global success, strategies, and future business opportunities.

FL&B Law

Practice areas include domestic and international business, trade compliance, M&A, intellectual property, commercial litigation, employment, and many more.

Bucks County International Trade Council

BCITC is a non-profit that provides service & education to Bucks County businesses to promote international trade, as well as, provide educational programs and network opportunities.

Mid-Atlantic DEC

The Mid-Atlantic DEC is a private, non-profit corporation of U.S. exporters and trade professionals whose knowledge of international business provides a unique source of professional advice to help American firms compete and win in the global marketplace.

U.S. Commercial Service Philadelphia

The U.S. Commercial Service network spans across the country and around the world through U.S. Embassies and Consulates to provide market intelligence, trade counseling, business matchmaking, and advocacy/commercial diplomacy support.

World Trade Center Philadelphia

WTC Philadelphia is a private-sector non-profit that works with its global WTC network and Trade Representatives to conduct export promotion at the State level through educational & networking events, market research, consulting, and business matchmaking.
